► **TIGER RENTALS INTERNATIONAL FOOTPRINT**

Tiger Rental Group is a U.S. based energy rental and service company that serves the onshore and offshore upstream, midstream, and downstream markets globally. Our reliable rental equipment and services reach across drilling, completions, production, pipeline, petrochemical and refining. Our core rental assets include pumps, offshore cargo carrying equipment, fluid tanks, power generation, temporary matting, flowback and production, and safety equipment, along with support services, such as automated tank cleaning, waste treatment, chemical fluids mixing, packaging and transfer, and logistics solutions. At Tiger, our business philosophy is to provide reliable equipment within a safe and professional culture with a “Make it Happen” attitude.
